Postmaster Griswold desires to inform the citizens of Albuquerque through THE CITIZEN of the following changes in local mail delivery to give effect to measures consequent on the change in the railroad time table.

The Atlantic & Pacific mail will arrive at 9:45 a.m. instead of 10:15 a.m. and as the carriers leave on their first round at 7:30 a.m. this mail will be served through the carriers only in the afternoon.

The express mail will arrive at 11:30 a.m. and go out on the carriers in the afternoon.

Should the mail be heavy, the carriers will go out at 2:30 p.m. instead of 1:30 o'clock at present.

It is expected that the new order of things will effect a boom in boxes, as Uncle Sam's busy patrons may not like to wait for the carrier service.
